REGIONAL CONFERENCE INDORSES RELOCATION OF CLOVERDALE HIGHWAY

Recommendation Passed That Road Be Routed Down River South of Hopland

CLASSED AS RECONSTRUCTION

Sacramento, Mar. 9.—Two highway projects of importance to Lake county in particular, and the Redwood Empire in general, were today placed before the California Highway Commission by the Lake county citizens, with the concerted cooperation of the Redwood Empire Association, which is in favor of both projects.

The Tahoe-Ukiah highway was requested for earliest possible completion, in order to provide a badly needed cross-country lateral between the valley districts, Lake county and the Redfood Empire, and to provide a direct transcontinental connection into Lake county and the balance of the Redmood Empire.

Ways and means of relocating the Cloverdale-Hopland portion of the Redwood highway were also discussed. R. M. Morton, state highway engineer, stated that this project would cost about $500,000, and that it probably would be recognized as a reconstruction project. He further stated that it had the sympathetic approval of highway engineers as a needed, practical, feasible improvement.

The Lake County Farm Bureau, with the cooperation of the Redwood Empire Association, sponsored the introduction of the following resolution at the joint conference of the farm bureau regional conference held in Santa Rosa recently, unanimously carried:

WHEREAS, there is a dire necessity for a more direct, wider, smoother and safer (portion of the Redwood) highway, between Cloverdale and Hopland,—first, to take care of increased marketing requirements, and second, to facilitate the movement of through motor traffic, and

WHEREAS, there now exists a road following the east shore of the Russian river which offers the most logical and practical routing for the re-location of this Cloverdale-Hopland portion of the Redwood highway from all standpoints, and

WHEREAS, this proposed relocation will more advantageously serve the farmers and business interests of the eight counties comprising the Redwood Empire, and

WHEREAS, this proposed relocation has many times been requested by the above eight counties, and has been indorsed and recommended by highway engineer, and the previous highway commission has included it in its proposed new budget for 1927-28,

NOW, THEREFORE, BE IT RESOLVED, that the Farm Bureau Regional Conference, representing the counties of Marin, Sonoma, Napa, Mendocino, Lake and Humboldt, in its joint meeting at Santa Rosa, March 5, 1927, does hereby favor the re-location of the Cloverdale-Hopland portion of the Redwood

PLES COPSEY LEASES ASSOCIATED STATION

Ples Copsey this week leased the Associated Oil Company's service station on South State street. The lease was announced by the company's local manager, D. B. Colville yesterday.

Mr. Copsey has made a 100 percent record with the company since he has been working for it, according to Mr. Colville. Recently the company decided to lease all their service stations to employees, and Mr. Copsey, being the local man with the longest period of service, was given first chance to assume the lease.

Ples has a host of friends who will wish him luck.

METHODIST CHURCH OPENING POSTPONED TO NEXT WEEK

The Methodist church will be formally opened, Sunday, March 27, at 11:00 a. m. There will be a special opening service with a special speaker from the outside. Drs. S. H. Werlein and L. L. Loofbourow, officers of the church, will be present. Special music will be furnished under the direction of Mrs. Florine Lynch.

Three other events are connected with the formal opening of the church: the church membership banquet Wednesday evening; the big musical program Thursday evening; and high school night Friday evening of the coming week.

Services, Sunday, March 20, will be under the direction of the pastor morning and evening. Music will be furnished by the choir in the morning with a solo by Miss Joy Van Allen in the evening.

OVER $1500 IMPOSED AS FINES THIS WEEK

The sum of $1550 was imposed as fines in bootleg cases the past week. J. Jacsnella and Joe Rometti were fined $400 each by Judge Clendenin of Hopland. Kole Kostick was fined $300 by Judge Jones of Potter valley. A. Cenzi was fined $450 by Judge Hoffman of this city on a charge of transportation.

Cenzi was arrested Tuesday by Officers McDaniels and Britton while bringing a load of booze through en route to Humboldt county. The shipment consisted of several barrels of wine and one of jackass.

MITTONE FREED BY JURY

The case of the People vs. A. Mittone, accused of manslaughter in connection with the death of A. Hazzelrigg, whom he was accused of having run down and killed last November, was tried before Judge Preston and a jury this week. The case went to the jury yesterday afternoon. They brought in a verdict of not guilty after being out about twenty minutes.

TO ANSWER BOOTLEG CHARGES

Mary Lucchessi and J. Dawe, of Fort Bragg, have been booked in the Potter valley justice court to answer to charges of bootlegging. Their hearings will come up on March 25.

FARM BUREAU DIRECTORS IN REGULAR MONTHLY MEETING

Predatory Animal Control, Bay Bridge and Work of Tax Committee Among Important Subjects

Mendocino, March 17.—It was definitely decided at a conference of the coast and Anderson valley farm centers today to hold the annual picnic of the farm bureau at Dimmick Park, near Navarro, on June 4th.

With every indication pointing toward a big accession of interest and enthusiasm in farm bureau work on the part of the membership for the coming year, the farm bureau directors met last Monday in regular monthly session and received the reports from the representatives of the various centers. Among the important matters taken up at the meeting were those of predatory animal control, the bay bridge and the work of the tax committee.

The farm bureau has decided finally not to enter the bay bridge controversy as a unit, but to leave the matter of filing protests up to each farmer individually.

A difference of opinion as to the coyote poisoning campaign has arisen, a number of members desiring the poison taken up for several months a year in order to permit the running of hounds. The question provoked considerable discussion.

Following are the official minutes of the meeting as furnished by C. A. Bernhard, the secretary:

The meeeting was called to order at 10:35 with President L. L. Hooper in the chair. Others present were J. C. Johnson of Ukiah, Mr. Avery of Hopland, James Eddie, Mr. Whittaker and J. J. Thornton of Potter valley, C. R. Yarbrough of Redwood valley, C. Bates of Round valley, George Clow of Willits, N. H. Crispin of Point Arena, A. R. Thomas of Ukiah, J. G. Hurst of Spyrock, Franz Grothe of Ukiah, and A. F. Redemeyer of Laytonville. Some other directors and members came in later in the day. Minutes were read and approved for the February meeting. Financial statement was read, discussed, and approved.

FARM CENTER REPORTS

Mr. Avery reported for the Hopland center that they will have a considerable increase in members—about 70 being signed up to date. They are arranging their programs in advance and he considered the last meeting a very excellent one.

John G. Hurst, president and director for the new center recently organized in Spy Rock reported that they have thirteen paid up members, two others promised and a possible three more in the community. Owing to the lack of roads up there it will be impossible for them ever to have a very large membership.

Roy Zane reported for Anderson valley. They had a very good meeting. State Director J. C. Johnson was present and gave them a talk on the need of a large membership and other matters pertaining to the farm bureau work. He reported that in the area near Boonville they have about 14,000 head of sheep and careful estimate shows that during the past year 1,000 head have been killed by coyotes or other predatory animals. They are not satisfied over there with the work of the Biological Survey. Recently they have commenced to run dogs and have captured four old killers.

N. H. Crispin, the new director from Point Arena, was present and made a report of the work over there. They have a number of new members and most of the old ones will come in. They are searching for a new meeting place and expect to liven up their programs in several ways.

C. Bates reported for Round valley. They held a good meeting and made out a general program for their meetings for the next six months. There were about 175 people present. Professor Frey of the dairy division of the University of California was their principal speaker. They had two moving picture reels. They have formed a junior farm bureau among the students of the high school and have about twenty members.

C. R. Yarbrough reported for Redwood valley. He thought their membership would be about the same as last year—perhaps a few more. He spoke very highly of their chairman, H. T. Harvey, and thinks the work will go ahead this year better than ever before. Mr. Yarbrough commended the Law and Utilities department very highly for the work they did in securing the reopening of the railroad crossing. He told about his visit with Mr. Deuel in San Francisco, and how quickly Mr. Deuel was able to get action.

Mr. Whittaker and Mr. Thornton both spoke for Potter valley. Mr. Thornton particularly commended the address given by Assistant Farm Advisor Foote. He thought it was one of the best along that line that he had ever heard.

Mr. Redemeyer reported for Long valley but did not seem to be as enthusiastic as usual. He thought their membership would not be up to last year's standing. He didn't seem to know what the trouble was.

Franz Grothe and A. R. Thomas reported for the Ukiah center. It seems to be really coming to life this year. They had a very excellent meeting under the able leadership of Harry Dewey. He was not able to report on the membership drive but thinks the valley has not been fully canvassed.

No director was present from Fort

DEATH OF FRED SHIRE

Fred Shire, an employee of the Pacific Gas and Electric Co., passed away in this city last Friday from pneumonia following an attack of influenza. The remains were shipped to Santa Rosa for interment. The deceased leaves a widow, formerly Hazel Milne of this city, his mother, Mrs. Seebaker of Santa Rosa, a brother, J. W. Shire of San Rafael, and three sisters, Mrs. W. F. Weltz of San Rafael, Elaine Shire and Mrs. Maud Abrott of Santa Rosa.

Mr. Shire had resided here about three years and held the esteem of a multitude of friends, all of whom join in extending sympathy to the family.

MAYOR ANDERSON LOSES BROTHER BY DEATH MONDAY

The sincerest sympathy of a host of friends is extended Mayor George Anderson of Ukiah, on account of the death of his brother, Dr. Frank Anderson, which occurred suddenly at his home in Petaluma last Monday.

Dr. Anderson's death was caused by heart trouble. He was alone in his office at the time the attack occurred and the body was found by Dr. Hall Weston, of Petaluma, who occupied adjoining offices.

Dr. Weston stated that Dr. Anderson had knocked on the partition wall between the two offices. Weston went to Anderson's office at once to find out what was wanted, and found Dr. Anderson on the floor. Death had evidently occurred almost instantly.

The remains were interred in Santa Rosa.

The deceased was born in Santa Rosa and was 48 years of age. He leaves a widow and a daughter.

MELVILLE BILL KILLED IN ASSEMBLY COMMITTEE

The bill introduced by Assemblyman Melville in the assmebly to provide for a referendum on the bay bridge proposition was killed in committee last Thursday. The only recourse now is to go ahead with the filing of protests by the various individuals. This is to be done at once.

The proposed tax will raise $800,000 a year.

BUYS MITTONE CAR

The Dodge touring car belonging to A. Mittone, who ran down and killed A. Hazzelrigg on the state highway several months ago while transporting a load of booze into Humboldt county, was confiscated and sold this week at public auction. The purchaser was C. A. Shackleford of this city, who bid $205 for the car.

H. T. Hopper returned the latter part of last week from several weeks' visit in the bay section.

Mr. and Mrs. Smith, of Fountain, were Ukiah visitors the latter part of last week, accompanied by their daughter, Gertrude.

THREE HOSPITAL PLANS NOW BEFORE COMMUNITY

Mrs. Ray, Christian Church and Chris Norgaard All Sponsoring Separate Projects for Institution

NORGAARD TO DEFER PLAN THIRTY DAYS

After years of facing inadequate hospital facilities in Ukiah, after investigations and numerous proposals, three separate hospital plans are now before the people of Ukiah. These plans are being advocated by Chris Norgard, farmer; A. A. Doak, pastor of the Christian church; Mrs. Theresa Ray, head of Langland hospital.

The plan formulated and proposed by Mrs. Theresa Ray has the written endorsement of four physicians of Ukiah and the chamber of commerce. The following endorsement of Mrs. Ray's plan has been signed by Dr. J. H. Hansen, Dr. L. K. Van Allen, Dr. S. L. Rea, Dr. Herschel Cleland and the chamber of commerce: "We, the undersigned, fully endorse Mrs. Ray's plan for a new hospital, as we think it is the most feasible plan to secure adequate hospital facilities for Ukiah."

TO START AT ONCE

The deed for the property on which Mrs. Ray's hospital is to be erected has gone on record; the plans are on exhibit at the chamber of commerce and Mrs. Ray states that the work of building will be under way within a month.

REV. DOAK'S STATEMENT

Stating that it was his belief that he was backed by the chamber of commerce, the doctors, the press and the principal civic organizations of the town, Rev. A. A. Doak, pastor of the Christian church yesterday gave out the following:

"We have succeeded in committing our church state board in our favor and just a week ago our state superintendent of missions came to us and spent three days giving us every possible encouragement. Since his coming the president of our state board, the most outstanding man of our church in northern California has agreed to take over the promotional part of our work and stay by it until it is completed.

"I felt that everything was going gloriously until I returned last Friday evening from a week in the bay cities when I read the accounts of the two hospitals to be immediately built in Ukiah. I admit I was hurt.

"Friends, the greatest teacher the world ever knew commanded his followers to heal the sick and cast out devils. Freely ye have received, freely give. Our Christian state, at Talmage and elsewhere, is taking care of the demons and many times are succeeding in driving them out, and without a dollar so far as the individual is concerned. God will bless such a state and nation. Making money off the sick and suffering unnecessarily is unbrotherly, unkind and wrong.

RATES ESTABLISHED FOR FT. BRAGG COMPANY

The Railroad Commission has established rates for the distribution of electric energy by Peoples California Hydro-Electric Corporation applicable to its business in Mendocino county, in the territory formerly served by Fort Bragg Electric Company and Mendocino Electric Light and Power Company. The Commission found a reasonable rate base for the utility to be $162,000, and the rates prescribed are estimated to yield a return of about 8½ percent upon such a rate base. The utility stipulated at the hearing before the Commission that it was willing to place the rates in effect for a trial, and if the rates result in revenues that the company feels under all circumstances can be reduced, it is the company's intention to reduce them.

COMPTCHE PIONEER DIES

Jacob Strauss, a pioneer of Comptche, died last Sunday morning at the home of his daughter, Mrs. Hannah Ottoson, at Comptche. He was over 86 years of age and was a native of Germany. He settled in Comptche in 1863. The remains were interred at Littleriver Tuesday.

BACK FROM NEW YORK

Mr. and Mrs. H. F. Lieurance and son returned the first of the week from New York, whither Mr. and Mrs. Lieurance went to buy goods for their store here.

Friends of Mrs. Ben Byrnes, who has been ill for months, will be glad to learn that she is improved in health. Mrs. Byrnes is a niece of Mrs. Lucia Hopkins.

Charles Bruce of Healdsburg, an uncle of Mrs. J. L. McCracken, was a visitor in Ukiah the first of the week. Mr. Bruce was attending the miners banquet at the Palace hotel.

BASSETTI PAYS FINE; PAROLE THIS WEEK

S. Bassetti, who was convicted on a bootleg charge in the superior court recently and who was sentenced to pay a fine and serve a jail term, was paroled this week on account of the state of his health. Doctors Rea and Stout made affidavits that incarceration would endanger Bassetti's health to a very grave extent and the parole board turned him loose.

He paid $700 of a $1,000 fine and is to raise the remaining $300 as one of the conditions of his parole. Another condition is that he never return to Mendocino county without permission of the parole board.

FORMER UKIAH LAD BURNED BY CHEMICALS

The following from a Santa Rosa newspaper refers to former residents of Ukiah:

Harold McKoon, freshman student at the Santa Rosa junior college, was severely burned on both hands yesterday afternoon when chemicals he was compounding in the laboratory at the college exploded, showering his hands and arms with seering acid. McKoon was rushed to the offices of Dr. Joseph H. Shaw by Clare Elmore, fellow student, where the burns were treated. McKoon was preparing the chemicals for a demonstration to have been given before the chemistry students this afternoon. He is the son of Mrs. Mary E. McKoon of Howard street.

COAST ACREAGE SOLD

FORT BRAGG, Mar. 17.—Howard Bishop this week sold 600 acres of his Ten Mile river ranch to Foresti & Fistolera, together with 100 head of dairy stock. The price is said to be $34,000.

Mr. Bishop and his sons retain about 1400 acres of what was formerly the S. W. McMullen ranch.

Keeping Up

We all try to be up to date and your Bank has that urge.

The Rambler

No corrert answers to the questions I asked last week. Very well, —then try these:

1. Where does a rattlesnake carry his poison?
2. Do fish have hearts?
3. Do bees have lungs?
4. For what are each of these places famous?
   Sinai
   Mecca
   Corsica
   Stratford-on-Avon
   Plymouth, Massachusetts.
5. For what are these people best known?
   Galileo
   Gutenberg
   Michel-Angelo
   Mendelssohn
   Florence Nightingale.

My offer to the tickets holds good for the correct answers to the five questions asked last week.

Four of the questions last week were easy. The height of unscaled mountains is ascertained by triangulation. Lowell wrote The Biglow Papers. Pines do have flowers. An Amoeba increases by division. Number five is a very familiar quotation. It was said by Richelieu in Bulwer Lytton's play "Richelieu."

* * * * *

Mrs. Burrey writes me that she is unable to mother the wild flower show this year. I can understand that this estimable lady has not the strength to continue the show. And we all appreciate the energy and time she has given in the years past.

Now what shall we do? Will the seed sown by Mrs. Burrey fall on barren grounds? Why could not one of our organizations undertake the wild flower show as an annual affair?

* * * * *

It would seem that at last Ukiah is going to have a hospital,—several of them. The Rambler would be satisfied with even one. Ukiah needs a hospital. Ukiah wants a hospital. Now the question is just how much Ukiah wants a hospital.

* * * * *

There is great pleasure in talking to sincere people and above all to those who feel they are above the meanness of pretending to knowledge which they have not.

* * * * *

"It is very easy in the world to live by the opinion of the world," and most of us do.

* * * * *

The thing to guard against is a steady habit, to have one day just like all others, and to be really happy that each day can repeat itself. Of course, with such a habit you avoid the pangs and inconvenience of growth. But, is it not rather stupid?

* * * * *

"When I am recompensed and lean secure
Against the white cairn of the far hill-top,
Let me not then—I pray thee, King of Heaven—
Hinder the other pilgrim who ascends
By the same harsh, forbidding ways I climbed."

* * * * *

Did you ever notice how the fear of losing their jobs has ever caused men to fly to and fro?

* * * * *

Why do you concern yourself so much with what people say? What difference does it make what they say? They burned Joan of Arc and then made her a Saint. They imprisoned Jeanne Marie Guyon. Martin Luther, Galileo, Columbus, Abraham Lincoln, Washington, all of them, had to wait the verdict of history. The greatest example of all is the One who won the adoration of the world with a crown of thorns.

* * * * *

How would our women of today like to turn the hands of the clock back to the time when every garment worn by men, women and children was made by the hand of woman? Times have changed.

* * * * *

Another survey has been made of installment purchases. It was found that in the cities investigated 39 percent of the workingmen's future wages was mortgaged to pay for deferred payment purchases. But the purposes for which the payments were made are interesting. "Homes, 28 percent; clothing, 9 percent; jewelry, radios and non-essentials, 10 percent; essential household equipment, 18 percent and automobiles, 35 percent. It is mighty hard to justify the purchase of luxuries by mortgaging future earnings.

* * * * *

Our educational system has considerable to answer. Crime, pauperism, insanity and general human worthlessness are rapidly increasing and skilled workmen and leaders of all kinds are rapidly decreasing, notwithstanding all of our desperate educational methods. Ought this not be proof that our present system is either wrongly organized or is improperly functioning?

* * * * *

What would you say if you heard a man make this statement: "Well, my wife and I want an automobile as badly as you do. We've wanted one for years for the youngsters. But we talked the matter over and decided we would put the money into another baby. The result is Jane. And we wouldn't swap Jane for all the automobiles Henry Ford can make in the next hundred years." Here is a family that is investing its money in perpetuity.

* * * * *

If I had charge of a high school, the first thing I would do would be to put in a course on parenthood. It is quite necessary to know English and history and mathematics and science. It is equally necessary to know how to raise babies. So far as our schools are concerned, it might well be charged that they were designed for celibates.

A noted beauty surgeon of Paris says: "Babies are the greatest doctors. With healthy mothers several babies keep the mother young and make her most beautiful."

POTTER VALLEY

POTTER VALLEY, Mar. 14.—Mr. and Mrs. Earl Harvey were week end guests at the J. J. Dashiell home.

Mr. and Mrs. Reynolds, of Ukiah, were Sunday dinner guests of Mr. and Mrs. J. J. Thornton.

Mr. and Mrs. Horace Weldon and Mrs. Earl McNeel drove to Willits one day last week.

Mr. and Mrs. Ernest Fish and sons drove to Healdsburg last Wednesday, returning to their home here on Thursday.

Mr. and Mrs. J. J. Thornton and Mrs. Chas. Whittaker attended the funeral of Mrs. Elizabeth Howell in Ukiah last Monday.

Herbert Pickle was a Ukiah visitor last Saturday. Other Potter people shopping in Ukiah on Saturday included Mr. and Mrs. P. B. Westerman, Miss Ethel Hardisty, Mrs. Taylor Eddie, Miss Muriel Neil, Miss Evelyn Walker, and C. B. Neil.

Mrs. Gus Bodwell, of Petaluma, was the house guest over the week end of her sister-in-law, Mrs. Charlotte Morgan. This is Mrs. Bodwell's second visit to Potter.

Cedric Thornton celebrated his twelfth birthday last Tuesday evening with a small stag party. The boys who were fortunate enough to be able to attend were Don Eddie, "Bub" Gibson and Hoyt Frost.

Mrs. M. C. Briggs and son, Rodney, returned Saturday from San Francisco where they had gone to have Rodney's eyes examined by a specialist.

Mr. and Mrs. James Gulley drove to Santa Rosa last Saturday.

The Snow Mountain Power Company is putting in a new power line on the west side of the valley.

Mr. and Mrs. Theodore Gillespie were up from Ukiah last Saturday night to attend the Grange meeting. Others who came up to be present included Mr. and Mrs. Roy Lynch, Mr. and Mrs. Lynn Foster, Mr. and Mrs. Thomas, Mr. and Mrs. Grothe, Mr. Bernhard, Miss Sylvia Bernhard, Clarence Bernhard, Mr. and Mrs. Royal Ryder, Miss Elizabeth Ryder, Miss Edith McGuffin, and Miss Hazel McGuffin.

Mrs. Keenan of Willits, is visiting at the home of her son, Gene Hunter.

Mr. Heryford, the rural supervisor, was a visitor at the local school last Friday morning.

Monday shoppers in Ukiah included Mrs. Gus Busch, Mr. and Mrs. Ward Lee, Mrs. Lily Gibson, and Mr. and Mrs. R. R. Ingels.

Mr. and Mrs. Harrison, of Santa Rosa, were guests last Saturday night of Mr. and Mrs. James Eddie. Mr. Harrison is the state master of the California Granges.

Miss Alice Ringheim, the county nurse, paid the schools a visit last Tuesday.

Bert Whittaker and J. J. Thornton attended the farm bureau meeting in Ukiah last Monday.

Julius Rotluff and Earl Pickle drove to Ukiah last Wednesday.

Harold Whittaker attended the show in Ukiah last Saturday evening.

The boys' and girls' basketball teams of Calpella came over last Friday to play the local grammar school boys and girls. Calpella girls won the laurels but our boys were victorious. On Friday Redwood and Potter will play at the Redwood valley courts.

"The Forlorn River," Jack Holt taking the lead, will be shown in the school auditorium next Friday night. This is a Zane Grey production and said to be very popular. Admission twenty-five cents and ten cents.

FRATERNAL AFFAIRS

A large class was initiated into the mysteries of the Grange last Saturday night in the Grange hall. Initiates from Ukiah and Calpella were given the degrees, too. The Potter Grange degree team put on the work. After the initiation a short program of musical numbers, talks and monologues was enjoyed. The evening was concluded with a splendid two course supper prepared by the ladies of the three participating Granges.

The regular meeting of the Potter Progress club will be held next Saturday afternoon in the library.

CHURCH NOTES

On account of the inclement weather last Sunday the Sunday school was noticeably smaller, although some new scholars were there. Mrs. McGee continued the missionary thought of the Sunday school lesson in her sermon, and expressed the need of the missionary spirit in Christian life. Next Sunday Mr. McGee will occupy the pulpit at the morning service.

ROUND VALLEY

COVELO, Mar. 15.—A most enjoyable time was had by all present at the social gathering of the Baptist ladies, last Saturday afternoon at the home of Mrs. Wm. Russell. There were about forty ladies present. An interesting program was rendered which was very much appreciated by all. Following songs by the group, with Mrs. Ed Long at the piano, there was scripture reading and prayer by Mrs. Secor, and a short talk on "The Feast of the Passover," by Mrs. Chas. Bucknell. Following the program, a nice lunch was served by Mrs. Russell, assisted by Mesdames Allie Long, Grace Long, Ada Thomson, Alda O'Farrell, and George Riffe. The guests were seated at two long tables, and a thoroughly delightful social time was indulged in during the rest of the afternoon.

The county nurse, Miss Ringheim, was in Covelo Thursday and Friday conducting a conference with mothers and examining the children. On Thursday, the babies and preschool schildren were examined. Fourteen little ones were present. On Friday the children of the grades were examined, and the matter of lunches investigated, with advice given wherever needed. On Friday, Miss Ringheim also gave a talk on nursing to high school girls who are receiving vocational guidance. The community greatly appreciates the services of the county nurse, during these visits.

Mrs. Adams, who has been here for some weeks nursing her sister, Mrs. G. K. Osborn, who has been quite ill, returned to her home in Ukiah last week. Mrs. Osborn continues to mend, though slowly. Her friends are looking forward to the time when she can be up and with us again in social affairs.

Friday evening there was a happy affair at the Presbyterian church, in connection with the annual congregational meeting. The men of the church and congregation had planned a 7:00 o'clock dinner, each family contributing something to the menu, which consisted of baked beans, brown bread, salads, pie and coffee. The men not only planned the meal, but they did the work as well; set the tables, did the serving, and last but not least, washed the dishes. After the inner man was surfeited, the assembly enjoyed a two-reel movie, "Miracle Money." Then the various groups in the work of the church reported a resume of the work of their departments for the fiscal year. As is usual at social affairs of this nature, all agreed that there should be more "getting together times."

Monday night, the community enjoyed a rare treat at the auditorium. As had been previously announced, the grammar school put on a movie to raise funds to buy educational films for the use of the grades. Plans have been made to devote one hour a week showing these educational films to the pupils. Tuesday morning from 11 to 12 o'clock has been selected as the time when all classes will assemble for this purpose.

There was a capacity house, ready and waiting when the new Holmes projector operated by George Court, a grammar school boy, began the first reel, which was an industrial picture. One especially interesting part of this reel was a portrayal of the making of a transoceanic cable. The next reel took the audience for an ocean trip to Hawaii, a journey round the island and return on the ocean steamer City of Los Angeles.

Prof. Frank Zeek, in a few fitting words then announced the plans as above indicated and the grammar school orchestra played a march entitled "Let's Go," which was followed by the comedy, "The Cohens and the Kelleys," an 8-reel picture chock full of laughs and real human interest to say nothing of the realistic acting of the all-star cast, all proving the good judgment shown in the choosing of this picture.

The orchestra played four more numbers between reels, which were all enthusiastically received by the large audience. This ensemble and their conductor, Mr. Zeek, are to be congratulated on what they have accomplished. Their performances are real music not amateurish attempts—and all are so happy in the doing. Covelo may well be pardonally proud of the work Mr. Zeek, our own home-town boy, is doing among the young people.

This modern age recognizes the honest quality of Camels

THE smokers of America have rewarded *Real Quality* with *Real Leadership.*

For Camels have always been all quality and no frills. The choicest tobaccos money can buy, superbly blended. Millions of dollars put into the cigarette. Never a penny expended for show.

There's just one way to find the smoking thrill that has won the modern world's admiration—try Camels. You'll know such taste and fragrance, such mellow mildness, as you never hoped to find. *"Have a Camel!"*

THREE WOODSMEN HURT IN COAST LOG CAMPS

Jas. Cooney, Former Coast Resident, Stricken by Death Suddenly at Oakland

OTHER COAST NEWS NOTES

(Mendocino Beacon)

Brakeman on Logging Train Suffers Broken Leg

Tony Eyraud, a well known young man who has been employed in coast logging woods for some years, and for some time past as brakeman on the local logging train, met with a serious accident Thursday morning near Boyle's camp when he was hit by a becket and his leg broken.

Eyraud was coupling on cars when something slipped or broke under a strain and the becket flew and hit him a very hard blow which broke his leg between the knee and hip. The injured man, who was suffering considerable pain, was brought to town by John Fraser by car and Dr. Preston rendered first aid and then sent him to the Redwood Coast hospital at Fort Bragg to be cared for.

Owing to the location and serious nature of the fracture, it will probably be several months before he will be able to recover the full use of his limb.

Woodsman Breaks Leg

On Thursday of last week, Pete Pardini, a woodsman 27 years of age, employed at Camp 4 near Navarro, was hit by a back line and suffered a fracture of the leg, both bones being broken between the knee and ankle. The injured man was taken to Albion and placed in the hospital there.

Woodsman Injured at Albion Camp

Ed Orr, a cross-cutter in Albion camp 2, was quite badly injured last week. He had just sawed off a log on the end of which another log was resting. When the sawed log dropped the top log swung around and hit him a teriffic blow alongside the head, knocking him senseless to the ground and cutting his head and face quite badly. He was picked up and taken at once to the Albion hospital. Shortly afterwards he was removed to San Francisco and placed in the Southern Pacific hospital, where he now is.

Caspar Man Pinched; Pays $350 Fine on Booze Charge

Wm. W. Thompson of Caspar, was arrested last Saturday evening at Caspar by C. H. McDaniels and Federal Officer Franklin B. Britton. Thompson had parked his car near the hall in Caspar where a dance was in progress and as the officers had received a tip that he was supplying the thirsty ones among the dancers they were on hand to see a number of men visiting Thompson's coupe, they investigated, and upon searching his car they discovered a gallon jug partly filled with jackass brandy which they appropriated as evidence and placed Thompson under arrest. They took him to Fort Bragg and placed him in jail there until the following Monday morning, when he was taken to Mendocino before Justice Shaw for a hearing. He plead guilty to a violation of the Wright act by transportation of liquor and was fined $350. He paid the required sum and was released. Thompson is a young man and this is his first offense.

Wages Creek Slide Being Removed with Power Pump

A novel but apparently effective method of removing the big slide at Wages creek north of Westport has been adopted by Supervisor Perkins and his road crew. A big pump has been installed at the creek. It is driven by a Holt gasoline motor and forces water through a pipe line that has been laid to the slide. Here water is delivered under a strong head and the slide is being hydraulicked out. This slide was near an acre in extent and besides the roadbed involves farm land adjacent thereto.

The slide at Hardy reek is of a more serious nature, having taken out the entire roadbed for quite a distance and it will take quite a time to remove this and rebuild the road. The hillside is steep and the work is more or less dangerous as the road is on the edge of the ocean bluff.

Dope Carrier Arrested

FORT BRAGG, Mar. 10.—Bob O'Yong, a young Chinaman, was arrested Monday morning by Deputy McDaniels and Federal Officer Franklin B. Britton near Churchman creek while on his way to the Ten Mile woods. When searched he was found to have 20 ounces of opium in his possession. The officers had received a tip that opium was being carried into the camps where a number of Chinese cooks are employed and were on the watch for the carrier. When arrested, O'Yong protested that he was merely delivering the package for another party and did not know the nature of its contents. He was turned over to the sheriff who took him to Ukiah Tuesday evening.

Earthquake Felt on Coast

Monday morning shortly after 1 o'clock residents of this coast, and in fact people throughout the county, were awakened by a distinct shock of earthquake which brought light sleepers out of their beds in some cases. Along the coast houses were shaken more or less vigorously, but no damage is reported.

The daily papers of that day brought the news of the big shake in Japan, and the slight shock felt along this coast was evidently related to the great upheaval in the Orient. Local people noted that after the tremors had passed the ocean was unusually rough, the pounding of the surf being very plainly heard.

Death of Jas. Cooney

ELK, Mar. 10.—The sad news reached here Monday morning that James M. Cooney, oldest son of Mr. and Mrs. Andrew J. Cooney, of this place, was suddenly stricken Saturday, March 5, while walking on the streets of Pittsburg. He was immediately taken to the home of his sister, Mrs. J. D. Royce, of that city and from there rushed to a hospital where every effort was made to revive him. All efforts, however, proved unavailing, as he only regained consciousness for a few minutes before passing away at 7:30 Sunday evening.

With him at the time of his passing were his wife, who accompanied the remains to this place Wednesday, and his sisters, Mrs. Catherin Sproul, Mrs. Alice Royce and Miss Mayme Cooney, and a brother, Joseph Cooney.

The remains reached here Wednesday morning via Fort Bragg and were taken to the home of his parents from which the funeral took place at 2:00 o'clock that same afternoon, Rev. Father Sebastian officiating. The vast number of floral pieces, far more than could be placed on the grave, attested the high regard in which the departed was held. The family have the extreme sympathy of all their friends.

Judge Peirsol Dies at Son's Home

Judge J. K. Peirsol, a familiar figure to the people of this coast, died at the home of his son, Dr. F. C. Peirsol, at Claremont, southern California, on March 1. In feeble health for some time as the result of advanced years, Judge Peirsol suffered a severe illness during the winter, an attack of pneumonia, and only rallied from it after many weeks of careful nursing and attention by his four children, who were at his bedside the greater part of the time. About two weeks before his death it was thought best to remove him to southern California, in hope that the milder climate of that section might gradually restore his health. He withstood the journey quite well but his condition was too enfeebled to respond to further effort to gain in strength, and after a few days he passed away.

Deceased was the only remaining member of the local grand army post. Born at Uniontown, Pennsylvania, September 21, 1843, he had entered upon his 84th year. He was educated at Mount Union College, Alliance, Ohio. At the outbreak of the Civil war he joined the Union army with the Thirtieth Ohio Cavalry and served throughout that conflict.

He was admitted to the bar in his native State following the war and was married to Miss Mary Cope, whose death occurred in 1886.

He is survived by his four children, Dr. F. C. Peirsol of Claremont; Howard J. Peirsol of Oakland; Miss Alice Peirsol of this place and Mrs. Florence Weber of Richmond.

The remains were sent to his former home at Beaver Falls, Pennsylvania, where they were laid to rest beside his wife.

Under Knife

Pat Skiffington recently underwent an operation for appendicitis at the Fort Bragg hospital. His brother, George, of Melbourne, visited him there a few days ago and found him getting along very well.

Put New Floor in Schoolhouse

The men of Kaisen school district recently took a day off and laid a new floor in the schoolhouse. The ladies furnished them a hot dinner at the noon hour.

Salmon Fleet Returns

The salmon fleet which has been south all winter were evidently returning Sunday morning from fishing boats, newly painted white, passing up the coast, strung along in line about two miles apart. They evidently were bound for Noyo or Shelter Cove for the opening of the fishing season.

LOCALS

Fred Chalfant of Oakland, came to Ukiah Tuesday to spend a few days with friends here.

Mr. and Mrs. Donald Keller, of Petaluma, spent the week end with Mr. Keller's father, Gus Keller.

REDWOOD VALLEY

REDWOOD VALLEY, Mar. 16.—The local farm center held its regular meeting Tuesday night, March 8. Despite a very inclement night and many cases of sickness there was an attendance of thirty-five.

Chairman Dewey of the Ukiah center was a visitor and responded with a few well chosen remarks when called upon by President Harvey.

Mr. Templi of the Hopland Stock Farm, gave a very instructive talk on poultry raising. He answered many questions asked by interested poultrymen.

At the conclusion of the business meeting several musical numbers were rendered by Messrs. Harvey, Cyril and Jack Goudge.

John Wilson was among those present. The farm bureau members were glad to welcome him back among us again.

Mr. Foote gave a talk on club work. A pig club is being sponsored by the farm bureau. The club will get started next week.

The Rev. H. Fifer preached a very interesting sermon at the clubhouse Sunday afternoon.

A number of the local Grangers motored to Potter valley Saturday night, where a joint installation of candidates in the third and fourth degrees was held by the Ukiah, Redwood and Potter Valley Granges.

Mrs. H. Gunderson, Mrs. H. McFarland and Mrs. E. Nelson and child and Miss Ethel Hargreaves are among the new flu victims during the past week.

The Redwood valley garage owners have completed a new office and stock room. They are installing a larger line of accesories to meet their increasing business.

Harry Matthews has been confined to his home the past week with a bad attack of rheumatism in his knee. Mrs. Matthews had such a severe cold she lost the use of her voice so she was unable to teach for the time being and came home just in time, as she found Mr. Matthews laid up.

The little daughter of Mr. and Mrs. Merlin Tull has been very sick for the past week with an attack of flu.

Friday, March 25, is the date of the school election. It is reported that three candidates are in the field for the two vacancies, the terms of Alec Kauhanen and Clifford Smith expiring. As Dame Rumor has it Clifford Smith, H. T. Harvey and B. W. Van Voorhees are all aspirants. There may be other candidates we have not heard about and it is possible that some of the above may not have filed with the clerk.

Frank Woods has been on the sick list the past week.

Ferd. Faas has sold his ranch to Tony Barra, who purchased a 10-acre tract from Peter Fernbach last year.

The P. T. A. will hold its regular monthly meeting Friday night. We understand there will be an address on dental hygiene.

Mrs. C. H. Smith, who had such a severe struggle with the flu, is slowly improving but is still very weak.

Mr. and Mrs. F. A. Howland and family motored to Santa Rosa Wednesday.

Mrs. Donald Fair returns to her home in Reedley tomorrow following a visit of two weeks at the home of her parents, Mr. and Mrs. J. A. Jamison.

to the slightest touch!

Go!—down to the boards with the accelerator—your car darts forward with the sureness of a tiger's spring—across the intersection ahead of the gang.

That's Associated Ethyl Gasoline—the *plus* motor-fuel. Gone are the exasperating "bucks" and jerks of close-quarter maneuvering. Gone are the "knocks" on hills and in traffic. Gone is the necessity for half your gear-shifting.

In the place of these come smooth, gliding, pick-up—even in high gear; the negotiating of tough grades with a new sweeping power; wings on your car! A brand new motoring-thrill!

And, with Associated Ethyl Gasoline, that old enemy carbon becomes your friend! Carbon becomes an agent for greater power. Keep it in your motor. Let it accumulate!

Your first tankfull of Associated Ethyl Gasoline will convince you of its marvelous qualities. So fill up today! Buy Associated Ethyl from pumps painted with the red, green and cream diamonds. Associated Ethyl is red in color, but not all red gasolines are Ethyl gasolines. Just a bit of precaution if you want the genuine.

Associated Ethyl Gasoline is sold for 3 cents above the regular market price of gasoline.

ASSOCIATED ETHYL GASOLINE

Licensed by Ethyl Gasoline Corporation

The PLUS [+] Gasoline

Associated Ethyl Gasoline is simply regular sustained quality, "more miles to the gallon" Associated Gasoline produced at the Associated Oil Co.'s refineries, *plus* Ethyl Brand of Anti-Knock Compound, perfected by the General Motors Corporation.

Associated is superfine gasoline to start with. Its distinctive chain of boiling points has always given Associated a superior motor performance.

Now, with the addition of Ethyl Compound, this performance is emphasized and developed because the Ethyl Compound, while not a fuel itself, does create within the motor better conditions of combustion. Associated gasoline thus gives a far larger measure of its *inherent* power and speed—qualities already there, but heretofore not fully released.

FORMAL ANNOUNCEMENT OF ENGAGEMENT AND WEDDING

Cards written in rhyme and hidden in beautiful corsages of spring violets made formal announcement of the engagement and approaching wedding of Miss Vivian Green, daughter of Mrs. Mamie E. Green, and Marcus Gilmore, a son of Mr. and Mrs. F. E. Gilmore.

The announcement was made at a beautifully appointed engagement dinner given Wednesday evening by Mrs. Green for her daughter. The guests were received at the home on Henry street and included a small group of intimate girl friends. The beauty of spring blossoms lent themselves to the adornment of the bridal table. Yellow jonquils with tall yellow candles in silver candlesticks, bows and streamers of yellow moline made a beautiful setting for the announcement dinner. The place cards, nut baskets and other appointments were carried out in the rich color scheme and also carried the bridal motif. At each place was a charmingly arranged corsage of violets carrying in its heart the formal engagement announcement.

The guests to whom the announcement was made were the Misses Margaret Cunningham, Hilda Banker, Ila Ruddick, Gladys Bowman, Dora Gilmore, Anna Gilmore, Vivian Green, Mrs. Donald Fair (Lurline Jamison), Mrs. F. E. Gilmore, Mrs. F. O. Strong, Mrs. Alice Andrews, Mrs. Mamie E. Green.

The bride-to-be is a native daughter of this county and has lived all her life here. She is a beautiful girl of the blonde type, a daughter of Mrs. Mamie E. Green, and a granddaughter of Mr. and Mrs. F. O. Strong, who are prominently known in this county. The wedding will be quietly solemnized within a month. The bride-elect is one of a group of beautiful young women who went through high school together and who form one of the most interesting social groups of this city. This will be the second marriage in the group within a year. Miss Green will be the inspiration of some charming social compliments before the wedding day.

Marcus Gilmore is also a graduate of Ukiah high school and of the Agricultural college of the University of California. Mr. Gilmore will take his bride to a ranch near Cloverdale, where an attractive home is now being prepared.

DINNER FOR GUEST

Mrs. Collin Devine of Oakland, is the inspiration of two interesting social events of the week. Mrs. Devine is a niece of Mrs. Curtis Miller and is being entertained at the Miller home.

Monday evening Mrs. Miller entertained at dinner complimentary to her guest. Those who were asked to meet the guest of honor were Dr. and Mrs. G. W. Stout, Mr. and Mrs. E. S. Masters, Mrs. Elton Fuller, C. H. Doolittle. The home carried an attractive decoration of pussy willow. Yellow stocks with fernery was used in decorating the dinner table. Cards furnished the diversion of the evening. Mrs. Devine will be a fortnight or longer in Ukiah.

COMPLIMENTARY BRIDGE

Complimentary to Mrs. Collin Devine, a guest from Oakland, Mrs. E. S. Masters entertained informally yesterday afternoon at the beautiful country home, "The Firs." Three tables at bridge were arranged by the hostess, the players being Mrs. Collin Devine, Mrs. Curtis Miller, Mrs. Frank B. Stephens of Salt Lake, Mrs. E. W. Stephens, Mrs. G. W. Stout, Mrs. J. L. Brown, Mrs. Donald R. Smith, Mrs. R. O. Le Baron, Mrs. E. J. James, Mrs. George Jamison, Mrs. Earl Ford. The charming home carried a decoration scheme of choice spring blossoms. A dainty supper followed the afternoon of cards.

LIONS TO HOLD LADIES DAY

Next Wednesday will be Ladies day at the Lions' club. Among the guests of honor on this occasion will be the seven members of Totolea Camp Fire girls, who so graciously assisted the Lions at the recent supper dance. Their guardian, Miss Marguerite Magill, has been included in the invitation. The Camp Fire girls are Misses Elizabeth Ryder, Adelaide Wethern, Dorothy Bruns, Christine Bruns, Edythe Swim, Grace Swim, Dorothy Kirk. Miss Grace Toles has been invited to represent her group of Camp Fire workers.

Miss Wilma Rorden of Petaluma, director of the Camp Fire work in Sonoma county, will be the speaker on this occasion. D. C. Poulsen, a prominent Lion from Santa Rosa, will accompany Miss Rorden to Ukiah and be a guest of the local club.

Eloquent Talk

Rev. H. N. Fifer spoke to the club at the Wednesday luncheon. He took the letters of the word "Lion" speaking most eloquently on "Loyalty, Ideas, Onward, Nobility."

Playground Apparatus

The welfare committee of the Lions' club will meet next Monday evening with the city trustees to talk over the matter of securing playground apparatus for the children to be placed in municipal park during the summer months. A gross of tooth brushes was donated to Ukiah grammar school by the Lions' club. These are to be distributed at the discretion of the city nurse.

MIXED CHORUS WILL BE HEARD AT CONCERT

Growing out of the musical activities of the Methodist and Presbyterian churches, a new chorus has arisen, the only mixed chorus in this city. This chorus will be heard next Thursday evening at the muical planned as part of the opening ceremonies in connection with the dedication of the Methodist church. It will also contribute greatly to the musical program which will be given in the Presbyterian church on Easter Sunday evening.

The chorus includes the best known vocalists of this city, all trained voices under able leadership. It will be a valuable addition to the musical contingent of Ukiah.

Among the singers who will appear in this chorus are basses: Messrs. John Robertson, E. J. James, William Van Dyke Jr., Ewart Mitchell, S. Mitchell, H. T. Harvey; tenors, Messrs. George Anderson, C. M. Fulkerson, H. L. Bergstrom, Robherd Thomas, Reynolds; altos, Mrs. G. W. Stout, Mrs. Lucy Seawell, Mrs. W. E. Williams, Mrs. Lee Taylor, Mrs. Roy Ritchie, Mrs. Percy Handy; sopranos, Mrs. E. W. Stephens, Mrs. H. E. Houdeshell, Mrs. H. N. Fifer, Mrs. Alfred Pioda, Miss Joy Van Allen, Mrs. J. H. Kirkpatrick, Mrs. Florine Lynch.

ARRIVED SAFELY

A cable from Paul Poulos to the family in Ukiah announces their safe arrival in Greece. Mr. and Mrs. Poulos left Ukiah several weeks ago for a visit of some months abroad. The greater part of the time will be spent at Mr. Poulos' home in Greece. The cable was read at a meeting of the Knights of Pythias of which Mr. Poulos is a member.

TRIO OF HOSTESSES GIVE ST. PATRICK'S PARTY

A trio of young hostesses are entertaining tomorrow evening at a St. Patrick's bridge party. The hostesses are Miss Margaret Cunningham, Miss Vivian Green and Miss Hilda Banker. The party will take place at the Cunningham home and most elaborate preparations have been made for the evening. The home carries a unique and beautiful St. Patrick's decoration scheme in green and silver. It is most artistically and effectively decorated with the colors and symbols of Erin's patron saint.

The guests who will play bridge are the Misses Gladys Bowman, Veta White, Hazel Reynolds, Ila Ruddick, Margaret Cunningham, Vivian Green, Hilda Banker, Mr. and Mrs. Stuart Grant of Santa Rosa, Mr. and Mrs. Jack Ford, W. H. Chessall, Jack Cameron, Maurice Huguet, Marcus Gilmore, George Boring, Norvall Thomas, Ruel Stickney.

Following the game of bridge supper will be served to the guests. The table and the dining room of the home will carry a charming St. Patrick's decoration. Spring blossoms will be used with the symbols of the day evidenced in favors, place cards, score cards and other appointments.

The engagement of Miss Vivian Green, one of the hostesses, was formally announced this week. This fact will introduce Cupid most conspicuously into the St. Patrick's party tomorrow night.

LUNCHEON AND DINNER

Mrs. Guy Redwine entertained the members of Fortnightly Bridge at luncheon Wednesday. Yellow and green were emphasized in the decoration of the luncheon table and the home. These colors appeared in the flowers, candles, nut baskets and place cards. Baskets of jonquils and ferns adorned the rooms. The entire membership of the club was present at luncheon. The hostess gave the prize to Mrs. Robert McGarvey following the game of bridge.

Mr. and Mrs. Harold Holliday entertained the members of Entre Nous club at their home last evening. St. Patrick was responsible for the decorations of the table and the character of the favors, score cards, etc. This is a dinner club composed of young married couples.

Mrs. C. M. Mannon was hostess to the members of Thursday Bridge club at luncheon and cards yesterday.

OLD TIME RESIDENTS

Brother Otha Wilkinson and Mrs. Wilkinson, who have just returned from six months' evangelistic tour of the east, were visitors in Ukiah the first of the week. They were luncheon guests Monday in the home of Mr. and Mrs. J. L. McCracken. Mrs. McCracken is the only member left in this community of Brother Wilkinson's congregation at Hopland thirty-one years ago. The Wilkinson home is in Sebastopol.

IN ITALY

Letters from Miss Margaret Smith from Sicily tell of the wonderful trip she and Miss Mary Moran are having abroad. The travellers left San Francisco early in January, planning to tour the continent for about six months. They are travelling independent, stopping as long as they want to at each place and leisurely enjoying the trip. From Sicily they wrote they would go to Florence, visiting cities in Italy. Nothing has marred the pleasure of their trip.

AN APPEAL MADE FOR CAST OFF SILK STOCKINGS

An appeal for old silk stockings is pathetic in this day when community chest funds run into millions of dollars.

The Women's Auxiliary of Lewis White Post, American Legion, makes this appeal for the veterans at Palo Alto and if the appeal does not bring forth a mountain of old silk hose Ukiah's heart is petrified.

They are to be sent to the veteran's home that the soldiers there may weave and weave and weave and thus tangle and dim their thoughts of war with the silken threads of cast off stockings.

These men who have faced gas and shell shock, for something which has not yet been quite definitely determined, sit quietly in the sun and weave beautiful rugs and table covers and curtains from the cast off silk stockings. It is the psychological effect of the work that is most valuable.

Wearers of silk stockings, ring Mrs. Kate Prather and some one will call at your home for the cast off stockings.

Announcement

We have just completed installation of two Hydraulic Hoists, mfd. by the Traud Co., Inc., of San Francisco. These hoists have a lifting capacity of 8,000 pounds, to a height of five feet six inches, and may be rotated as a turntable.

The patronage accorded us in the past has made us feel justified in this large additional expense. We believe our patrons deserve the very best service it is humanly and mechanically possible to give.

With our new hoists, one in the washing department and the other in the lubrication department, with our high pressure car washer and our lubrication outfit we are prepared to service any car thoroughly and quickly.

It is generally conceded by the trade that we have the most complete Service Station north of San Francisco. One call does it all. Why go to several places for your car's needs?

The public is cordially invited to call and inspect our service equipment and our merchandise. We sell tires and tubes, auto accessories, four kinds of gasoline and your favorite brand of oil. If requested, your car called for and returned.

ODD FELLOWS GIVE ST. PATRICK'S PARTY

Members of the Odd Fellows and Rebekahs were elaborately entertained Monday evening at a card party arranged by the Odd Fellows. More than sixty guests were entertained at cards and supper following. This party was one of a series being given by the Rebekah and Odd Fellows lodges for the members and families. St. Patrick's day featured the decorations and other appointments of the party. The harp, shamrock and other Irish symbols were much in evidence. The party was a jolly one and greatly enjoyed by the guests. Mrs. Frank LaPorte held the highest score among the women and George Miller for the men. Mrs. F. C. Wegner and Frank Wright won special prizes. The parties are monthly events and are proving most successful.

FARM BUREAU DIRECTORS IN REGULAR MONTHLY MEETING

(Continued from page 1)

Bragg but Mr. Foote had attended and reported progress in their membership campaign and were programing the work of the coming year.

ANNUAL REPORT

Mr. Myzska was called on to discuss the annual report of the farm advisor. He stated that the law requires this report to be compiled every year and the first draft was out by November. The report requires a great deal of labor, several copies must be made, and it contains about 100 pages, illustrated with diagrams, tables and photographs covering the different projects carried on by the farm advisor's office. Motion by Director Thomas to instruct the secretary to mimeograph several copies of a summary of this report to be mailed out to the officers of the different centers of the farm bureau in the county. Motion duly seconded and carried.

PREDATORY ANIMAL CONTROL

At this time the report of the predatory animal control work was given by William F. Polson.

The total number of animals taken during the month, from which scalps were taken was thirty. Fifteen of this number were coyotes and the other fifteen were bobcats.

TAX COMMITTEE WORK

Director J. C. Johnson, of the tax committee, gave a very excellent report of the work being done. He went into considerable detail in regard to the efforts of the timbermen are making to arrive at a fair and equitable report of all of their holdings. They have opened an office in San Francisco with a surveyor-draftsman in charge and all of their data is being compiled in maps by 40-acre plots so that when the work is completed the assessor's office will have a complete report of the holdings of all the redwood owners in Mendocino county. The farmers' work is not progressing quite as rapidly. It is a big undertaking to find a means of accurately appraising, mapping or listing the various kinds of land on each individual farm in Mendocino county. Mr. Johnson thinks they have about matured a plan which will give this information. His report was very optimistic. Mr. Johnson made some remarks about the large acreage of land held in this, and other states, by the federal government and on which no taxes are paid to the state. He pointed out that the federal government received a considerable revenue from these lands by selling the lumber on a stumpage basis and by leasing out the land for grazing purposes. He stated that while such large tracts of land are being set apart in this way that the federal government should pay at least a portion of the income to the respective states by way of a tax, since the states have to police this land in protecting it against fire and build roads in it. He referred to the California assembly joint resolution No. 4, covering this matter and which indorses the Raker bill now before the United States congress. Mr. Johnson moved that it be the sense of this farm bureau that we are in accord with assembly resolution No. 4 in supporting the positions of the Raker bill. Mr. Johnson's motion was seconded by Director Crawford and was unanimously carried.

At this time Supervisor N. P. Howe of Point Arena, was requested to address the directors on his understanding of the bay bridge proposition. Mr. Howe spoke in favor of the project. During the discussion it was learned that farmers have until May 26th in which to file their requests with the Secretary of State to have their land exempted from the district. Mr. Howe also spoke on the work of the tax committee, taxes in general, and the work of the board of supervisors. Mr. Howe's remarks were well received and appreciated.

TO SUPPORT AUDITOR

At this time the chairman explained that the auditor had held up certain bills on the sheriff's office and the district attorney's office as being improperly filed or improper bills. Attorney M. H. Iversen having the matter in charge as counsellor for Mrs. Mathews, was requested to come before the board and explain the vouchers which were being held up. Mr. Iversen read his report to Mrs. Mathews and explained in some detail his interpretation of the law. After hearing Mr. Iversen's interpretation, the directors seemed to be of the opinion that Auditor Mathews was entirely in the right in withholding this payment, and since it is quite probable that suits will be brought against the auditor to compel payment, and in case they should be decided against the auditor, they should be appealed to a higher court in order that the matter might be settled as to what is correct. A motion was therefore made by Director C. R. Yarbrough and Director J. G. Hurst that the farm bureau offer assistance to Mrs. Mathews in the defense of her stand in this matter. Motion was seconded and carried. During the discussion it was clearly brought out that this was not a partisan matter in any particular and that such assistance would be as readily offered to any other county officer in case of need.

The secretary then made a statement about the work of his office and after some discussion a motion was made by Alex Thomas, seconded by J. G. Hurst to appoint a committee to go into the work of the secretary and the work of the secretary's office and report at the next meeting. The motion was carried without opposition and the chair at once appointed Director Clow of Willits, C. R. Yarbrough of Redwood valley, J. C. Johnson and A. R. Thomas from Ukiah.

Motion was made, seconded and carried rescinding the former instructions to the secretary in regard to mailing reports and instructing each director to notify the secretary as to what person from his center should receive the monthly report.

ANDERSON VALLEY TO GIVE DEMONSTRATION

The subject of the wool grading and the sheep mating demonstration for the coming summer was taken up for discussion. Director Roy Zane said that Anderson valley appreciated the honor of having the demonstration but at the same time felt that perhaps some other part of the county was entitled to it and that Anderson valley should not be a bidder this year. After considerable discussion a motion was made by Director Thomas to ask Anderson valley to take the responsibility of putting on a sheep mating and wool grading demonstration this year. Motion was duly seconded and carried unanimously.

COAST TO GIVE ANNUAL PICNIC

The next subject was the annual farm bureau picnic. Considerable discussion was had as to where it should be held. It seemed to be the opinion that it would be a good thing for the coast if it could be held over there some where. It was finally referred to Director N. H. Crispin with the instructions that he ascertain whether Fort Bragg and Point Arena could not undertake the farm bureau picnic this year and hold it at some point between Fort Bragg and Point Arena. Director Crispin agreed to take the matter up with the center.

NO ACTION ON BAY BRIDGE

At this time the matter of the bay bridge was again taken up for discussion and after considerable talk and some telephoning to attorneys, from whom different opinions were gathered, it was decided not to undertake any united action in the matter by the farm bureau but that the secretary should secure a supply of withdrawal or exemption blanks and give them to each member of the farm bureau, with the instructions as to how to fill them out and withdraw the property from the district in case one so desires.

WANT BETTER FENCES

Director Hurst from Spy Rock made a talk about the road and general conditions in the vicinity of Spy Rock and particularly about the lack of fencing along the railroad right of way, and told of stock being killed and the difficulty in getting settlement from the railroad. He therefore wished to offer the following resolution:

"WHEREAS, the Northwestern Pacific Railroad Co. fails to either build, or maintain in stock proof condition the fencing along their right of way in the northern part of Mendocino county to the end that many valuable animals stray upon the tracks and are killed;

AND WHEREAS, the claims attorney of said road is extremely dilatory in the adjustment of claims presented for stock killed, and absolutely refuses to adjust claims on a fair and just market value of said stocks; therefore be it

RESOLVED: That the Mendocino County Farm Bureau requests that the president and directors of the Northwestern Pacific Railroad Company direct that the fences along their right of way in this county be immediately placed in serviceable condition and that their claims attorney be directed to promptly settle all claims on a fair and just basis of the market value of property destroyed."

Mr. Hurst's motion was seconded by Director Thomas and carried unanimously. No further regular business coming up the meeting adjourned at about 4:00 p. m.

WANT RETURN TO ABSTRACT PLAN

Present System of Title Insurance Held Unsatisfactory By Attorneys of Sonoma County.

MANY LOCAL MEN OF SAME SENTIMENT

Mendocino county attorneys, property owners and business men generally will echo the sentiments of the Sonoma county bar association as embodied in resolutions adopted by the association at a meeting held in Petaluma last Saturday. The resolution protests the title insurance system as it works out at the present time. Details of the action of the Sonoma county bar body are contained in the following dispatch from Petaluma last week:

Refusal of abstract companies here to issue abstracts or keep them down to date, insisting on sale of title insurance instead, was made the cause for a resolution of protest adopted at Petaluma Saturday night by the Sonoma county bar association.

In discussing the abstract question, the lawyers agreed that the examination of titles by attorneys was an annoyance for which they received only small fees. Abstracts, however, it was asserted, are a necessity in certain cases at law, and under present conditions they cannot be had from local bureaus. It was also charged that the refusal of the companies to work with abstracts was a measure of hardship on persons who had invested large sums in them and now could not have them brought to date.

Title insurance, according to statements made during the discussion, are not sufficient for litigation, and do not pass with the property in various deals, but are only in effect for one owner, requiring issuance of new policies in case of sale. A committee to present the resolution to the abstract companies will be appointed later.

POINT ARENA NOTES

Attorney Leonard Stone was granted until April 15 to file accounts in all estates for which he is attorney.

The Ukiah district board of the Redwood council held a very interesting monthly meeting at the Savings bank offices on Wednesday evening, March 9. Dr. D. R. Smith, chairman, presided and among those present were Judge H. L. Preston, C. A. Bernhard, Wm. Bromley, Louis Hofman, Jos. R. Figone, C. M. Fulkerson, C. R. Yarbrough, Ferd. Faas, Lawrence Waugh, C. Roy York, J. I. Wilson and Scout Executive C. K. Radford. E. W. Dutton was welcomed as the new chairman of American Legion troop 30.

The reports of the various troop chairmen were very interesting, and some of the high lights in these reports are noted.

Redwood Valley Troop 40

Chairman C. R. Yarbrough of Troop 40, sponsored by the Redwood Valley Grange, told of the installation institutive ceremonies held on Saturday, March 5, at Redwood valley. More than one hundred people attended and enjoyed the demonstrations of the new scouts, and visiting Ukiah scouts. Scoutmaster Ferd. Fass was highly commended for his excellent work. New boys are constantly seeking admission to Troop 40. Miss Hazel Reynolds, principal of the school, was commended for her efforts in behalf of the B. S. A.

Redmen Troop 36

Redmen troop 36; has two first class scouts according to Chairman Jos. R. Figone. Scouts James Mitchell and Fred Campbell, and they have already passed the merit badge in friendship and have made a 50-mile bicycle trip to Upper Lake for the cycling merit badge. Scoutmaster Richard Andrews will have more first class scouts within the month.

American Legion Troop 30

Scouts of American Legion troop 30 have been receiving instruction in personal hygiene, public health and first aid at the State hospital through the courtesy of Dr. D. R. Smith. Chairman E. W. Dutton reports a great deal of interest in the merit badge program because of special instruction in this vocational guidance program. Scoutmaster Lawrence Waugh has appointed George Dane as senior patrol leader because of loyal and faithful service to Troop 30.

Hopland Troop 27

Chairman E. L. Williams spoke recently before the Parent Teachers Association and they subscribed $10 to Hopland troop 27. Scoutmaster D. R. Ward plans a parents' night in the near future, and speaks very highly of the cooperation accorded him by Principal Gallway of the high school and Principal Kanen of the elementary school and all the teachers. Several new boys have been recruited as a direct result of Anniversary week.

Ukiah Troop 24

The completion of the Anniversary good turn this week will result in all of Ukiah's residential and business streets being properly marked and named, and is the result of the cooperation of the town trustees, the Ukiah Union high school shop department, and Ukiah troop 24. Chairman C. Roy York told of the Saturday hikes by the patrols, and that several new scouts have been received as members of Troop 24. The annual parents' night will be held in June and a merit badge exhibit will be one of the features. Mr. H. Hilts, father of a scout, is keenly interested in the program, and is assisting Scoutmaster J. I. Wilson in an advisory capacity.

Potter Valley

Following the troop reports C. A. Bernhard spoke about the new Potter valley troop prospects, and assured all that the people of the Grange were anxious to have a troop in Potter valley. The recent demonstration by the scouts and the talks of the leaders, have all helped.

San Jose Conference

The delegate to the 12th Regional Conference at San Jose reported, and told of meeting Chief Executive West, and that Mr. West had stressed the idea that America's greatest need was for men of character, trained for citizenship and to give leadership, and that the Boy Scout movement was in a position to supplement the home, church, and the school, in supplying this great need.

Redwood Council Annual Dinner and Meeting

C. Roy York and family will represent the Ukiah district at the annual meeting and dinner to be held at the Eureka Inn in Eureka on April 2. Walter Bachrodt, city superintendent of schools of San Jose, will be the principal speaker.

Finance Campaign

Wm. Bromley, treasurer, reported for W. J. Roberts, finance campaign manager, and stated that $900 had been subscribed in money and pledges, leaving a balance of $600 to be collected in order to assure the boys of the district adequate leadership and facilities for training for future citizenship.

Interesting Discussion

Judge H. L. Preston and Lawrence Waugh held very interesting discussions of wayward boys, and gave all present a new insight into this age old problem.

The meeting of the district board adjourned at 10 p. m. and will meet again on Wednesday, April 13.

A scoutmasters' conference dinner preceded the district board meeeting, and was ably led by Scuot Executive C. K. Radford.

J. H. Barker returned to San Francisco Monday following a visit of a week in Ukiah.

Miss Lempe Sandelin spent the week end with her family in Berkeley.

ROUND VALLEY HIGHWAY BACKERS IN CONFERENCE

Meeting of Interested Parties Held in Sacramento to Get Government Aid

IMPORTANT CROSS-STATE ROAD

(Special to Dispatch)

COVELO, Mar. 17.—G. M. Biggar returned the latter part of last week from Sacramento, where had been a party to a conference held between the supervisors of Glen and Mendocino counties regarding the Round valley highway. This road when completed will tie up with the Willits-Fort Bragg road on the west and connect directly at the east with the trans-continental highway entering the state near Quincy, affording a direct route to the sea for the Sacramento valley people.

Mendocino county supervisors have been particularly active in securing government appropriation to help build this road. Private citizens, too, who have been tireless in their persistence are Ed. A. Kirk of Orland, and G. M. Biggar of Covelo, who for five or six years have, figuratively speaking, carried a banner: "BUILD ROUND VALLEY HIGHWAY." These gentlemen were instrumental in arranging for the conference of last Thursday. It was by special invitation of the Glen county supervisors that the Mendocino county officials met them at the courthouse in Sacramento.

The main purpose of the council was the desire on the part of the Glen county group to learn just what steps would be necessary for them to obtain government money to help them build their end of the road. Messrs. Howe, Rupe and Perkins of Mendocino were present. These gentlemen have been especially active in getting the government money for that part of the road now under construction and they explained step by step the arrangement Mendocino had with the government and the particulars of the cooperative agreement. Mr. Biggar outlined what was necessary to complete the road and advised that Glen county must take first steps officially, approaching the Forestry department and Bureau of Public Roads for a cooperative agreement. Mr. Kirk explained what had already been done on the Sacramento side. As a result of this conference Glen county last Tuesday officially made overtures to the government for a cooperative agreement to build the road down Grindstone creek to Sacramento valley. The sponsors of this project are very optimistic and prophesy the Round valley highway will be in the state highway system in two years from now.

COUNTY STATISTICS ON DIVORCE GIVEN

County Clerk Prather yesterday announced the statistics for Mendocino county during the year 1926 as regards divorce and marriage. There were 54 interlocutory decrees of divorce entered in the superior court, 46 final decrees and four annulments.

The marriage licenses issued totalled 191.

Mrs. Floyd Woodson and Mrs. Lee Garner, of Upper Lake, were visitors in Ukiah several hours yesterday.

Onrico Colucci was brought down from Willits yesterday to serve 20 days in the county jail in lieu of a fine for speeding imposed by Judge Burke, of Willits.

gest, can set an impetus that will help to change the present order, in that our hospital is to be run on a non-profit basis; simply to make expenses and nothing more; to be run and superintended by a board of directors who will represent the various groups and communities in and about our little city.

"I have and still believe that when our plans are in operation that people from up and down the state and from other states will come to see and to inquire about it.

"I want to in this writing heartily commend Mr. Norgard for his Christian spirit in withdrawing further operation for thirty days, giving us much more time to guarantee to the public that our plans have not miscarried."

Chris Norgard's proposition is a personal investment. He is withholding action for thirty days waiting developments.

JAILED FOR BEATING OLD MAN LAST SATURDAY

Erwin Phelps, who has been living in a shack near the Farmers' Club, was arrested last Monday morning and jailed on a charge of beating an old man named Joseph Smith. The alleged attack took place near the steam laundry, where Smith and several companions were camping on Sunday evening. Phelps is said to have been drunk at the time. He is alleged to have assaulted Smith with a drawn gun, which he used as a club. The old man was thought to be dead when Phelps finally fled from the scene, but reports from the county farm yesterday were to the effect that he would recover.

Phelps also is thought to be the individual who stole three cars in town Saturday night. The Louis Hofman car was taken from in front of the house and found wrecked early in the evening on Walter Sandelin's lawn, where it had been run into a tree. Another car, belonging to Mrs. Murphy was found stuck in the mud in the lane that leads to the municipal pumping plant. The third, belonging to Joe Rovera, of Calpella, was driven to Talmage and wrecked at the little bridge across Mill creek, near the Harold Holliday home.

Phelps denies having stolen the cars, but admits that he has a hazy impression of having been in a fight.

Kenneth Williams and Miss Ella Sorenson, were guests in the home of Mr. William's parents last week end. The engagement of Mr. Williams and Miss Sorenson was an interesting announcement some months ago. The wedding will probably be an event of the summer.
